September 2018

Dear Parent / Guardian

In Science we are always looking for opportunities to challenge and broaden the knowledge of our students as well as looking for career progression.

We have created a 'Mad Science' club to engage students with fun scientific experiments. The club will run most Mondays after school from 3.30pm to 4.30pm starting Monday 1st October 2018. Students will receive a timetable so that they know when and where the sessions will be held.

If you would like your son/daughter to be involved and participate, please complete and return the slip below. Alternatively, if you would like more information please come and see Mrs Walia in Lab 4/Science KS4 Office.
