4 September 2019

GENTLE REMINDER FOR STUDENT DEVICE PROVISION PROGRAMME

Background:

The Academy vision to transform lives and enable every member of the Beacon Academy Trust family to thrive in an ever-changing world is embodied in our commitment to develop powerful digital citizens of the future. With the highest expectations and aspirations, inspiring innovation, creativity, and a lasting love of learning, we create opportunities for digital skills to be developed through every learning opportunity across our curriculum.

We recognise that the development of independent learning habits is critical to student success and that by having access to digital technology students can use the varied learning tools and online resources available to help them realise their full potential.

Our new Student Device Provision Programme has been created to specifically support students of all ages. By using Beacon Academy Trust's buying power, and dealing directly with the HP and Microsoft, we have achieved significant savings against standard retail pricing to enable all students have access to their own Notebook – all with a huge saving versus the high street!

Ordering details:

Window opens: NOW

Window closes: 10th September 2019

Device delivered: After October Half Term 2019
