### In summary:

- Please ensure you adhere to the revised school timings and do not arrive early or remain on site at the end of the day to maintain COVID safety guidelines
- Registration will take place in periods 1 and 5 to meet legal requirements
- There will no form periods to reduce movement around school
- Compressed normal school timetable
- 5 x 45 minute period days delivering the normal school timetable,
- Start and finish times avoid the usual school rush hour times,
- No lunchtime or food provided on site, as we cannot adhere to COVID safety guidelines, but 2 x 20 minute breaks (students must bring own food and drink)
- FSM students will receive Tesco vouchers to enable them to do the same

We will revert to our normal school day timings including lunch and extra-curricular activities as soon as possible. In the meantime we believe the above will enable us to achieve this goal safely within COVID guidelines. Due to the size of the school, our building and site and the construction of our school timetable it is not possible to offer staggered starts and lunchtimes as it would extend the school day to an unreasonable length.

### All students

In addition to the above we will be offering:

- Additional maths and English classes at no charge after school and Saturday mornings
- Community GCSE language classes in Urdu, Bengali, Arabic and Chinese on Saturday mornings

### BCS students

BCS students are operating in their own 'bubble' on a full timetable and this will continue.

### Year 13

Your individual exam timetable for the week beginning Monday 14<sup>th</sup> September will be issued during your Year 13 induction session. After the two weeks of progression exams you will revert to your 100% Plan C **full** timetable.

We will write regularly to update on all of the above as well as updating the information on our website. Please accept our sincere thanks for your support and patience during these difficult times.

Yours faithfully,

Kindest regards,
