11th November 2020

Dear Year 11 Parent/Guardian/Carer,

Re: Year 11 Catch up sessions

In order to ensure maximum success in their GCSE exams next summer and to mitigate for the disruption to studies caused by COVID, we will be running online catch-up sessions for year 11 students every day after-school. These one hour sessions will begin this Wednesday 11th November 2020 and will focus on revision and assessment practice.

Monday	Tuesday	Wednesday	Thursday	Friday
Art	Science	Biology	Chemistry	Physics
Drama	Business	English	Maths	History
Dt	RS	Economics	Geography	PE
Food	Computing	French	Sociology	
Music		Spanish	Media Studies	
Photography				

In line with our COVID-secure risk assessment and the national lockdown students will not gather after-school and meet physically face to face but will access the 'broadcast' and resources remotely via 'Show My Homework'; please contact us if device-access is an issue and your child would like support with IT access.

Students should follow the schedule below. If students have a clash they can access the session/resources afterwards via the 'Show My Homework' platform.

We hope that these sessions alongside your child's main lessons, ongoing revision programme and independent study will enable them to achieve their potential. Any questions please get in touch.

Yours faithfully

Mr R Laird
