Beal High School

Enter email address or username

Enter password 

Log in

Or log in with:

 Sign in with Office 365

 Sign in with Google

 Sign in with RM Unify

Navigate to

<https://www.satchelone.com/login?subdomain=bealhighschool&userType=student>

If **logging in for the first time**, use the log in details you were issued with by Beal.

If you **have logged in before**, use your email and your password.

If you have **forgotten your password**, reset it by clicking on 'forgot password'.

If you **have downloaded the SMHW app** on your phone you can access SMHW this way.

# Expectations

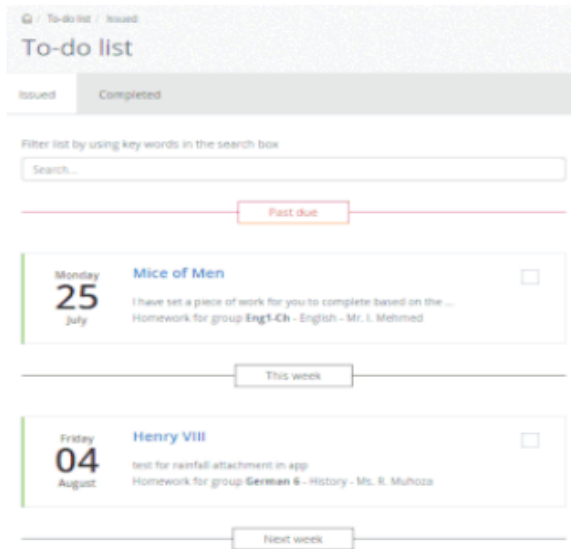

For all days that you are working at home/self-isolating we expect that you will **follow your normal timetable.**

Ensure that you complete remote learning for **each lesson** you have on a particular day.

The work for each lesson should take **approximately 55 minutes** and will allow you to **access the same curriculum** you would be following if you were in school.

# Finding your remote learning work

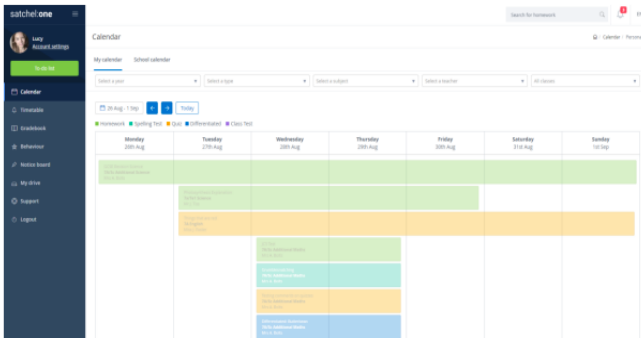

## Option One

Log in to your student account in either the browser or the Satchel One app and **view your 'To-do list'**. Your 'To-do list' will show you all your assigned tasks.

## Option Two

Log in to your student account in the browser. Navigate to your personal student calendar by clicking '**Homework Calendar**' from the left-hand menu and selecting the 'My Calendar' tab.

# Finding your remote learning work

All remote learning will be clearly labelled as 'Remote learning for students self-isolating ...'

It will also be easy to spot as it will show up as **red** when you look on your calendar

The screenshot shows a calendar for the week of December 14th to 20th. The days are listed in the header: Monday (14th Dec), Tuesday (15th Dec), Wednesday (16th Dec), Thursday (17th Dec), Friday (18th Dec), Saturday (19th Dec), and Sunday (20th Dec). Three red rectangular blocks represent remote learning events:

- A red block spanning from Monday (14th Dec) to Wednesday (16th Dec) with the text: "Remote Learning for Students Self-Isolating - Religion Good For Society Unit - Year 9 Philosophy", "@PH Philosophy", and "Mr T. Moorey".
- A red block spanning from Tuesday (15th Dec) to Thursday (17th Dec) with the text: "Remote Learning for those self-isolating @PEE", "@School Science", and "Mrs S. Shinn".
- A red block spanning from Wednesday (16th Dec) to Friday (18th Dec) with the text: "REMOTE LEARNING FOR ALL PUPILS - Year 9 Computing Lesson 4 - Text Representation", "@M1 Computing", and "Mr M. Khan".

The calendar interface includes a date selector at the top left showing "14 Dec - 20 Dec" with left and right navigation arrows, and a "Homework key" link in the top right corner.

# Completing and submitting your remote learning work

When you are doing your remote learning work, please complete this in your **exercise book** or as otherwise instructed by your classroom teacher i.e. in an **online workbook** or on **paper**.

You teacher may ask you to submit all/part of your remote learning work via **SMHW**.

Upload your work at the end of each lesson or as directed by your teacher, so that they can see what you have completed. You may be asked to take a **photo** of your work to submit it.

Alternatively your teacher may ask you to **bring the work in to your first lesson back** at school.

# Feedback

Your teacher will advise you of how and when they will provide you with feedback.

This may be for **particular activities** in **particular lessons**.

It will be **in line with** the department/school expectations.

# Homework

If you are set homework in a lesson, you must remember that **this is separate to your remote learning lessons.**

Make sure that you complete your homework regularly and submit it as instructed by your teacher.

This will show up in **green** on your calendar.

learning  
**TIPS**

Avoid  
procrastinating

Stay off social media  
when you are learning

Have a dedicated  
workspace

Create a  
schedule

Communicate with  
your teachers  
regularly

Know when to  
stop for the day

Make lists and  
celebrate as you  
complete tasks
