12<sup>th</sup> February 2021

Dear Parent/Carer,

Thank you for your continued support over the last half term, despite the ongoing challenges of both the pandemic and of remote learning. We greatly appreciate your help and support in ensuring that we are able to operate as well as possible during this time. We will continue to carry out contact tracing over the half term, so please ensure you adhere to the arrangement set out below.

### Contact tracing over the February Half Term:

- If your child **has** been attending school as part of our key worker/vulnerable student provision, please inform the school throughout the half term should your child test positive for Covid-19
- This means that the school will assist in identifying close contacts and advising self-isolation, as the individual may have been infectious whilst in school.
- If your child has **not** been attending school, please continue to inform us, but you should also follow contact tracing instructions provided by NHS Test and Trace.

<https://www.gov.uk/guidance/nhs-test-and-trace-how-it-works>

- If you need to report a positive coronavirus test result for your child at Beal High School, please do ensure that the entire household is isolating and contact us via email at [admin@bealhighschool.co.uk](mailto:admin@bealhighschool.co.uk) providing the following information:
  - Your child's name and tutor group
  - Date your child was last in school
  - Date that coronavirus symptoms began
  - Date of the Covid-19 test
  - Date the positive test result was received
- The school will be in touch to advise on next steps and begin the contact tracing process. If we need to contact students or families with advice to self-isolate we will do so via email and will also try to call, but this may not be possible in all circumstances.

An announcement on the planned reopening of schools is expected from Government from the week beginning 22<sup>nd</sup> February and as soon as we receive this as well as an announcement from Ofqual following the GCSE/A-level/BTEC consultations we will let you know. In the meantime, we hope that you and your families get some time to relax away from screens and supporting with home learning.

Kindest regards,

Ms Y Andress  
Co-Headteacher

Mr P Bray
