14th May 2021

Dear Parent/Carer,

Many of our school community were celebrating Eid this week and on behalf of the whole school we would like to wish you Eid Mubarak. It's been a really positive week with students in exam groups continuing with their assessments and other year groups working incredibly hard in their lessons. It was wonderful to see the mature engagement of our year 7 and 8 students during their workshop held by a Metropolitan Police Officer on the topic of knife crime. We know you've all received specific letters in relation to each year group but thought we would update you on the following.

Extra-Curricular clubs/activities – with the easing education restrictions, we have widened our extra-curricular provision across many subject areas. Our weekly timetable can be found [here](#) on our website.

Summer Term key dates – With lots of activities, parents' evenings and student events happening over the Summer term please do check [here](#) for a list of these dates. The only changes we have made are to move the Year 7 and Year 8 parents evenings to a slightly later date when all restrictions should be removed thereby allowing for face to face appointments with teachers. These will now be as follows:

- Year 7 parents' evening - week commencing 21st June
- Year 8 parents' evening - week commencing 28th June

Term Dates 2021-2022 – Confirmed dates for 2021-2022 are now on the school website and available [here](#).

Year 12 Progression – Exams will take place over two weeks, beginning on Monday 17th May. Year 12 Progression week will take place from the week beginning Monday 7th June with normal lessons resuming on Monday 14th June.

Year 11 and 13 - last day in lessons will be Friday 28th May.

Risk Assessment – Our risk assessment has been updated effective from 17th May based on DfE guidance published this week, the most recent version is available [here](#). Main changes are highlighted within the risk assessment, but we wanted to draw your attention to the changes related to face coverings.

Face coverings – From 17th May, face coverings are no longer recommended for children or staff in classrooms or communal areas in schools. Children and staff can continue to wear them if they wish.

Redbridge Educational Psychology Service (EPS) – would like to find out what schools, students and families already know about their service. Please take 5 minutes to complete their survey on the following link which help them to continue to improve their services. Please complete by Friday 11th June:

Children and young people’s survey link - <https://forms.gle/DhfCgfuksnJSQueu9>

Parents survey link - <https://forms.gle/3ydbnVY8vqKEyxWs8>

Thank you for your continued support and we hope you have a pleasant and restful weekend.

Kindest regards,

Kathryn Burns
