

Autumn 2021 GCE

Exam Entry Form

Deadline: 1st September 2021

There is no charge for entries received by the Deadline. Late Fees may be applied after this date.

The Autumn 2021 Exam season is an opportunity for students who were either unable to receive a calculated grade in the Summer 2021 season, or who want to try to improve their grade, to sit their exams.

You can choose to take as many subjects in the Autumn as you wish, you do not need to sit all of your exams again.

If you choose to take exams in the Autumn and achieve a different grade, the higher grade will stand.

Only students who had entered for the Summer exams, and students who the Exam Board believes had intended to enter for those exams can enter in the Autumn season.

Students who would normally be entitled to take GCSEs in English Language and Maths in November (usually 6th Form resit students) will also be able to take exams in those subjects only as usual.
