

YEAR 13 BEAL SIXTH FORM STUDENTS CELEBRATE OXBRIDGE OFFERS!

Congratulations to our four year 13 students who last week received offers to study at Oxford and Cambridge university.

They are (from left to right):

Robert Arsene (Psychology – Cambridge);

Vanessa Ilori (Psychology – Cambridge);

Perth Maharjan (History of Art – Oxford)

and Imaan Khaliq (Medicine – Oxford).

They survived a very challenging admissions process by navigating admissions tests and online interviews to secure top places at two of the most competitive and prestigious universities in the world. We are very proud of them!

We are equally as proud of the 414 other year 13s across both sites who have applied to UCAS this year – our largest ever cohort. They have received 729 offers so far, with 181 of those from the most elite and prestigious Russell group Universities and the offers will continue to come in until the May deadline.
