Dear Parents, Carers and Students of Year 11

We are really proud of our Year 11 students. Their conduct during this exam season has been fantastic. As we are into week 2 of the exams it is important that we offer some important information and updates. I have also attached the exams guidance booklet that has been issued to the students for your information.

Special consideration

Beal can apply for special consideration on behalf of a student if:

‘A candidate has temporarily experienced significant illness, injury or some other event outside of their control at the time of their public exam. It is applied when the issue has had a material effect on a student’s ability to sit an assessment or demonstrate his/her usual level of attainment in assessment’

Information about special consideration can be read here: [A-guide-to-the-special-consideration-process-202122—General-and-Vocational-qualifications-Updated-8-April-2022.pdf](#) (jcq.org.uk)

If you believe you may meet the criteria for claiming special consideration, please email exams@beaconacademytrust.co.uk
